Installs Audits Contacts

Settings Install DCA Remote Host Name DCA Instance
Default

Step 1 Visit the Printanista webpage shown above.

Copierandsupply.printanistahub.com

Choose the Create an Account Button and enter all your information.

Step 2 After you have created your account it will return you to the login page shown on the previous screenshot.

Select the Forgot Password button directly above the create an account button.

Enter in your email address you just used to create an account.

You will receive an email with a temporary password that you will then use to sign in.

Step 3 Log in on the Printanista login page.

Close the Tutorial Window that pops up using the small X in the top right corner.

Select the Install DCA button shown above and follow the on screen instruction to install the application
